与冰川、湖泊、北极光的美丽邂逅

“幸福”之行，始于足下。这世界上除星际航行外，大概没有其他行程可以与亲临冰川相提并论。湖水冬天凝成薄荷色；跨过静谧的冰川，进入群山环绕的碧湖；璀璨北极光，似一道绿光划破长夜，舞动的线条，别有一番景色。美国大陆西北方静卧着一片冰雪覆盖的陆地，它就是阿拉斯加。雪山、冰川、灰熊、驯鹿和雪橇犬是人们对这常年气温处于零下之地的印象。阿拉斯加的冰川湾国家公园内湾航道处在陡峭的群山之中，没有道路，唯通过游船和飞机方能将壮丽景色一览无遗。

登上阿拉斯加红宝石公主号邮轮犹如赴一场极静与极净之旅。邮轮中有各种美食、轻松休闲活动、SPA、健身房和酒吧，服务周到，宾至如归。精心设计的活动，带给您贵宾级的享受。进入阿拉斯加湾岸，您有一天的时间欣赏白雪皑皑的雪峰。邮轮之行还会带您探索三个海港，了解当地风土民情。其中包括：美国唯一除了轮船或飞机，没有其他交通工具可到达的州府城市—阿拉斯加州首府朱诺；曾是阿拉斯加淘金梦之地—史凯威；还有三文鱼和特林吉印地安人的故乡—凯契根。

洛矶山脉属世界自然遗产区。其群山碧湖每年吸引不少热爱大自然的游客。这里的白云、冰雪、山岩、林木汇聚，形成一幅山水画，仿佛置身于仙境。从路易斯湖远眺维多利亚山，山上积雪掩着的石砾随着冰河融雪沉入湖泊或漂浮在湖面上，阳光照耀下，湖面折射出迷人的蓝绿色。

回到加拿大温哥华，这座被花园环绕的都市，钢筋水泥中带着绿意。走在这个北美第二大的唐人街上，可以感受当年华人离乡背井的故事。而来到风情万种的西雅图，绝不能错过派克市场，和全球首家星巴克。

传说中看到极光（Aurora）会一辈子幸福。若您亦选择赴黄刀镇，追寻北极光的足迹，恭喜您踏上这趟幸福之旅。极光是个神秘且充满传说的自然现象。爱斯基摩人视极光舞动为祖先传达彼方生活很愉快的信号。享有“北极光之都”美誉的黄刀镇以一年240天都能看见极光著称，只要在这简朴小镇住上三晚，有95%以上的机率看见极光。英女皇伊利莎白二世和威廉王子夫妇分别在1959和2011年来这里追光。这里也是日剧《爱在圣诞节》(Last Christmas)结局拍摄地。

壮丽的冰川、古朴的海港、灵动的海洋与野生生态以及别有风情的城市游，欢迎来到北美大地之旅。

An unforgettable encounter with icebergs , lakes & Aurora

A journey of sensory bliss begins here. Other than space adventure, there is probably no any tour in this world comparable to an Alaska excursion, where tourists get to encounter the fabulous turquoise-coloured lake water, a spectacular glacier views surrounded by mountains, and a splendid yet mystical Aurora flashing out in the dark. Within the North-western region of the American continent, lies a stretch of land covered in ice and snow. It is Alaska. Snow mountains, glacier, aurora, grizzly bears, reindeers, sled dogs are the impressions among people towards this land, whose weather is below zero degree Celsius all year long. The Glacier Bay National Park of Alaska is located among steep mountains. Therefore, it is only reachable by cruise or by plane.

Boarding on the Alaska Ruby Princess cruise is an experience of tranquillity and relaxation. A variety of delicacies, leisure activities, SPA, gym and bar are available on the cruise, offering a comprehensive service which makes guests feel at home. The well designed activities allow guests to enjoy VIP services. Entering the Alaskan coast, you have the entire day to view the snowy mountains covered in snow. The tour on cruise will also lead you to explore 3 ports, for a better understanding to local attractions. It includes Juneau, the capital of Alaska, and the only capital city in the States, which is not reachable by any other form of transports besides cruise or plane; Skagway, which was once the gold rush destination of Alaska; and Ketchikan, the home to salmon and Tlingit Indians.

The Rocky Mountains is a world natural heritage site. Its mountains and lakes attract nature lovers from all over the world annually to witness its stunning picturesque scenery.

View of Mount Victoria from Lake Louise is unforgettable: with hanging glaciers on top of Mount Victoria, pebbles subsided in the lake; terminal, ground and lateral moraines; and the turquoise-colour reflection from Lake Louise.

Heading back to Vancouver in Canada, a metropolitan which is surrounded by beautiful urban gardens, there is a tinge of greenery among the concrete jungle. Walking on the second largest Chinatown in North America, you may experience the stories of early Chinese immigrants. On the other hand, when you are in the exotic Seattle, you probably will not want to miss the Pike Place Market and the first ever Starbucks café in the world.

According to legends, those who have seen Aurora will live a joyful life. If you choose to visit Yellowknife, in search of the Northern Lights, congratulations for embarking on this journey of bliss. Aurora is a natural phenomenon which is mysterious and filled with legends. The Eskimos view the dancing borealis as spirits of their ancestors showing that they are leading a happy after life on the other side of the world. Yellowknife, also known as the “Capital of Aurora”, is famous of having the Aurora 240 days in a year. All you need to do is to stay for 3 nights in this town, and there is at least a 95% chance of seeing the Aurora. Queen Elizabeth II and the Duke and Duchess of Cambridge (Prince William) of United Kingdom visited the town in pursuit of Aurora, back in 1959 and 2011 respectively. This is also the shooting location for the final episode of the Japanese series, Last Christmas.

Welcome on board to a journey of the North American, with breathtaking glaciers, quaint ports, vibrant ecology systems of the ocean, wildlife, and the tour of exotic cities awaiting.

Skagway was the gateway to the gold fields for thousands who flocked to Alaska and Yukon with the hope of striking it rich. The gold rush was a boon and by 1898, Skagway was Alaska's largest town with a population around 20,000 people. However when the gold yield dwindled in 1900, so did the population as miners quickly shifted to new finds in Nome. Today, Skagway has less than 1,000 residents. Yet, it still retains the flavor of the gold rush era. 8-10 Minutes Walking Distance From Pier To Skagway Downtown. (B/L/D on board)
